

**REQUEST FOR PROPOSALS
RIVER STREET CULVERT - DESIGN SERVICES
WINDSOR, CONNECTICUT
RFQ/P E2025-01**

The Town of Windsor is soliciting proposals from qualified consulting engineering firms to provide services in support of the design of the culvert under River Street, near Strawberry Hill, in Windsor, CT.

The selected firm will provide engineering services to support the design of improvements to the River Street culvert including, but are not limited to, survey, hydraulic analysis, design, obtain permits and preparation of bid documents and technical specifications for the improvement areas to the River Street culvert.

Firms responding to this request should be of adequate size and sufficiently staffed to perform the assignment described above. The selected firm must meet all Municipal, State, and Federal affirmative action and equal employment opportunity practices.

A copy of the full Request for Proposal may be obtained by contacting Ryan Gazlay, Engineering Assistant, at gazlay@townofwindsorct.com.

Proposals must be received by **2:00 P.M. on Friday, February 14, 2025.**
