- 2.6** At the fixed date for the receipt of the responses to the RFP, each Respondent will have made an examination of all locations and shall have read and become familiar with the Request for Proposals.

All terms, conditions, requirements, and procedures included in this RFP must be met for a response to be acceptable. If a Proposer fails to meet any material terms, condition, requirement of procedure, its response may be deemed unresponsive and disqualified.

- 2.7** The Town will not be liable for any costs incurred in the preparation of the response in this request. Proposals must be fastened together, paginated, indexed, and numbered consecutively. The firm's authorized official must sign all proposals.

- 2.8** The selected respondent will be required to submit a Certificate of Insurance in amounts and types specified naming the Town of Windsor as an additional

insured. Respondents shall submit a letter from the respondent's insurance agent or broker that such insurance can be obtained at the time of execution of the contract and that a Certificate of Insurance shall be provided to that effect not later than the date of contract signing.

- 2.9** The Town assumes, unless notified by Proposer(s) that all costs associated with project(s) to be covered by Proposer, Grants, and the NRES Program of Eversource. The town will consider one (1) two (2) three (3) or all facilities for consideration of Single Proposer award.
- 2.10** The respondent shall submit a signed Non-Collusion Statement (EXHIBIT C)
- 2.11** The respondent agrees to satisfy all applicable state and or federal prevailing wage laws that apply to the project or are necessary as a condition of any NRES Programs.
- 2.12** The Proposer agrees and warrants that in performance of the contract it will not discriminate against any person or group of persons on the grounds of sex, race, color, religion, or natural origin in any manner prohibited by the law of the United States, the State of Connecticut, or the Town of Windsor.
- 2.13** The respondent shall indicate any and all exceptions to the Terms and Conditions identified herein in this proposal. The exceptions shall be on a separate page entitled "EXCEPTIONS".
- 2.14** The Proposer may utilize the services of Subcontractors subject to the approval of the Town of Windsor. All subcontractors shall be required to carry the same insurance, and under the same conditions, as specified for the Proposer.
- 2.15** The Town of Windsor is exempt from the payment of taxes imposed by the Federal Government or the State of Connecticut; such taxes should not be included in any proposal fee.
- 2.16** The Town of Windsor reserves the right to negotiate, accept, and reject any and all and any contingent proposals. The Town makes no guarantee, either expressed or implied, that any purchases will take place from any Contract or Agreement resulting from this RFP. Any statement made regarding past expenditures or estimated expenditures are for informational purposes only, and are not binding on the Town.

3 TERMS AND CONDITIONS

Unless otherwise modified, the following terms and conditions will apply to professional services rendered. The respondent will use an AIA standard form of agreement incorporating the following provisions.

4 SERVICES TO BE PROVIDED

The winning respondent shall provide services as set forth in the proposal and in accordance with the terms identified herein. The services provided will be performed on behalf of and solely for the Town of Windsor and any information, tests, reports, correspondence, and conclusions shall not be released to other parties unless authorized by the Town of Windsor or in accordance with any applicable state or federal law.

5 PERFORMANCE BONDS

The Performance and Payment and Labor Bonds shall be in the amount of 100% the cost of installation. Upon completion of installation, Performance and Payment and Labor bonds shall be 100% of the annual maintenance costs, if any.

6 COURT LITIGATION AND WAIVER OF JURY TRIAL

Notwithstanding the existence of any provision for arbitration of disputes in the contract or any legislation providing for arbitration, any dispute arising under this contract shall not be submitted to arbitration and the parties shall be left to the remedies at law. It is further expressly agreed that both parties waive and relinquish their right to a trial by jury of any dispute arising out of this contract. The intent of the parties is not to have a jury decide any aspect of any dispute which may arise under this contract.

7 MEDIATION

All claims, disputes or other matters in question between the parties to this Agreement arising out of or relating to this Agreement or breach thereof shall be submitted to non-binding mediation. On the written notice of either party to the other of the election to submit any dispute under this Agreement to mediation, each party shall designate its representative and shall meet at the Windsor Town Hall within ten (10) days after the service of notice. The parties themselves shall then attempt to resolve the dispute within ten (10) days of meeting.

Should the parties themselves be unable to agree on a resolution of this dispute, and then the parties shall appoint a third party, who shall be a competent and impartial party and who shall be acceptable to each party, to mediate the dispute. Each party shall pay the fees and expenses of the party mediator and such costs shall be borne equally by both parties. Upon agreement of the parties, either party may waive the first step in the mediation process and appoint a mutually acceptable mediator.

Any third party mediator designated to serve in accordance with the provisions of the Agreement shall be disinterested and shall be qualified to evaluate the performance of both parties.

This process shall be considered as a condition precedent to moving to court.

8 EQUITABLE RELIEF

Nothing herein shall prevent either party from obtaining a court order enforcing the mediation process or such other temporary or equitable relief until such time that the dispute is settled or finally adjudicated.

9 INSURANCE

The winning vendor shall, after being awarded the Contract but prior to starting work, furnish Certificates of Insurance, including Automobile, Commercial General Liability, Professional Liability, Umbrella Liability, and Worker's Compensation insurance in the following amounts:

9.1 Commercial General Liability Insurance:

The winning vendor shall provide Commercial General Liability insurance with a combined single limit of \$1,000,000 per occurrence, \$1,000,000 aggregate for bodily injury and property damage.

The CGL shall be written on ISO occurrence form CG 00 01 10 93 (or a substitute form providing equivalent coverage) and shall cover liability arising from premises, operations, independent contractors, products-completed operations, personal injury and advertising injury, and liability assumed under an insured contract (including the tort liability of another assumed in a business contract)

9.2 Commercial Automobile Liability Insurance

The winning vendor shall provide Commercial Automobile Liability insurance with a combined single limit of \$1,000,000 per occurrence, \$1,000,000 aggregate, and shall include coverage for all owned, hired, and non-owned vehicles.

9.3 Worker's Compensation Insurance

The winning vendor shall provide Worker's Compensation Insurance in the required amount as applies to the State of Connecticut and Employers Liability Insurance as follows:

Bodily Injury by Accident - \$100,000 each accident
Bodily Injury by Disease - \$500,000 policy limit
Bodily Injury by Disease - \$100,000 each employee

9.4 Umbrella Liability Insurance

The winning vendor shall provide Commercial Umbrella Liability insurance with a combined single limit of \$1,000,000 per occurrence, \$1,000,000 aggregate for bodily injury and property damage.

9.5 Professional Liability Insurance

The winning vendor shall provide Professional Liability insurance with a combined single limit of \$1,000,000 per occurrence, \$1,000,000 aggregate for bodily injury and property damage.

Each Policy of Insurance shall include a waiver of subrogation in favor of the Town of Windsor and shall provide no less than thirty- (30) days notice to the Town of Windsor in the event of a cancellation or change in conditions or amounts of coverage. The Commercial General Liability, Automobile, and Umbrella Liability shall name the Town of Windsor as an additional insured.

Certificates of Insurance, acceptable to the Town of Windsor shall be delivered to the Town of Windsor prior to the commencement of the work and kept in force throughout the term hereof.

The above insurance requirements shall also apply to all Subcontractors and the winning vendor shall not allow any Subcontractors to commence work until the Subcontractors insurance has been so obtained and approved.

10 FAILURE OF OPERATION

If the Contractor fails to comply with any terms and conditions set forth in this RFP and any agreement executed with the awarded respondent, the Town of Windsor will notify the Contractor in writing. The Contractor has five (5) days from receipt of the notice to comply with the terms and conditions. The Town of Windsor, at its discretion, may elect to extend this time period to a mutually agreed upon date providing the Contractor is working diligently to comply with the terms and conditions.

10.1 Failure to comply with any provision of this agreement and failure to cure the non-compliance constitutes a breach of contract. If there is a breach, the Town of Windsor may, at its sole discretion, terminate the contract. Termination of the contract renders the contract null and void. There shall be no penalty payment by the Town of Windsor.

10.2 At anytime, the Town of Windsor may demand assurances that the contractor is able to continue to perform the contract. If the contractor fails to give the Town of Windsor reasonable assurances that the Contractor can continue to perform, the town of Windsor shall consider this a breach of contract. The Town of Windsor may, at its sole discretion, terminate the contract. Termination of the contract renders the contract null and void. There shall be no penalty payment by the Town of Windsor.

- 10.3** The Town of Windsor may terminate this contract at any time when the Contractor consents to or voluntarily or involuntarily petitions for appointment of a receiver, trustee, liquidator, assignee, custodian, sequester, or similar official, or files or has filed for bankruptcy, reorganization, or order of relief, or in any other manner demonstrates its current inability to pay its debts or satisfy its obligations as they become due.
- 10.4** The Town of Windsor has the right to ask the contractor for documentation concerning the contractor's business operations, including but not limited to, copies of bank statements, copies of balance sheets, copies of income statements, copies of current contracts, a list of open and closed litigation, amount of debt owed, and copies of financial statements.
- 10.5** Notwithstanding the foregoing, the Contractor and the Town of Windsor agree that if the contractor is unable to provide services due to the labor disputes not arising out of actions taken by the employer that would be deemed responsible and consistent with the standard of the industry or acts of God, fire, riot, civil commotions, or any similar situation, the Town of Windsor shall excuse the Contractor to the extent necessary from performance hereunder. The Town of Windsor and the Contractor shall work together, to their best efforts, to resume service as soon as possible.
- 10.6** If the contract is terminated for breach, the Town of Windsor will be entitled to the costs associated with completing the termination and implementing a new contractor to perform according to the terms of this RFP.

11 INTERPRETATION AND CONSTRUCTION

- 11.1** The construction of this project shall be governed by the laws of the State of Connecticut, excluding its conflict of law rule.
- 11.2** The contract documents constitute the entire agreement between the parties and shall supersede all previous communications, representations, and agreement, either written or oral, between the parties with the respect to the subject hereof and no agreement or understanding varying or extending this contract shall be binding on either party unless matter received in writing referencing this contract and signed by a duly authorized representative of each party.
- 11.3** If in any instance any provision of this contract shall be determined to be invalid or unenforceable under any law or regulation, such provision shall not apply in such instance, but the remaining provisions hereof shall be given effect in accordance with their terms.
- 11.4** The Town's failure to insist on performance of any terms or conditions herein, or to exercise any right or privilege, or the Town's waiver of any breach hereunder, shall not thereafter waive any such item, conditions, or privileges or any other terms, conditions or privileges, whether of the same type.

- 11.5** No failure of the Town of Windsor and Contractor to settle any dispute or to reach any agreement provided for by the terms of this contract shall excuse the Contractor from diligently proceeding with the performance of this contract.
- 11.6** In the event the Town should bring an action against the Contractor for the enforcement of the terms and conditions of this contract, the Contractor agrees that the Town shall be entitled to the award of its reasonable attorneys' fees and court costs associated with such proceedings.
- 11.7** The contractor shall not assign this contract, or subcontract and interest the prior approval in writing with the Town of Windsor.

12 SCOPE OF SERVICES

The Town of Windsor will be accepting proposals from qualified firms for the installation of photovoltaic systems on its municipal facilities.

It is the intent of the Town to enter into a PPA with the successful Proposer for a term of twenty years. The Town shall pay no upfront costs related to the development of the solar PV systems arising from this RFP. All systems should be designed as behind the meter. It will be the responsibility of the chosen developer to apply for any necessary incentives associated with these projects. Please assume 2025 school carve-out NRES values.

The successful Proposer shall provide fully managed photovoltaic services that include, but are not limited to, securing the necessary labor, services, equipment, permits, and approvals to develop a fully operational PV system. The Proposer will then commission, own, monitor, operate, and maintain the system after installation until buyout or removal.

The facilities identified to date include the Poquonock Elementary School, Windsor High School, and Sage Park Middle School. The Town has provided information to assist proposers develop thorough responses. Photographs of each facility are enclosed, utility data and roof drawings are provided in the APPENDIXES A and C

The facility's locations are:

Sage Park Middle School
25 Sage Park Road
Windsor, CT 06095

Windsor High School
50 Sage Park Road
Windsor, CT 06095

Poquonock Elementary School
1760 Poquonock Avenue

13 PROPOSAL ORGANIZATION AND CONTENT

- 13.1** All respondents are required to submit the information detailed below. Responses shall be organized and presented in the order listed below to assist the Town in reviewing and rating the proposals. Responses should be presented clearly and concisely with all appropriate detail to thoroughly respond to the requirements and expected services described herein.
- 13.2** The Town anticipates that proposals will include the purchase and installation of photovoltaic systems financed through a power purchase agreement between the Proposer and the Town. The town anticipates that such proposals will include the leveraging of municipal assets (roofing surfaces on buildings and one carport), the energy consumption needs of the Town, Solar Tax Credits, Renewable Energy Credits, ISO-NE Forward Capacity Market Credits, CT Clean Energy Fund subsidies, and other potential financing mechanisms such as Clean Renewable Energy bonds to create a cost effective proposal for consideration. Respondents will be responsible for securing all necessary permits and approvals for the successful completion of the project in conformity with State of Connecticut Building code. Only state education fee will apply to town building permits, 26 cents per thousand dollar of total project(s) value. The Respondent will be responsible for all maintenance to all equipment installed and for all snow removal from all installed equipment.

13.1 Section 1: Submittal Letter

Respondents shall submit a cover letter, addressed to Jim Bourke, Director of Finance, signed by an authorized principal or agent of the respondent, that provides an overview of the respondent's offer, as well as the name, title, address, telephone number, fax number, and email address of the person to whom the Town may direct questions concerning the proposal. The letter should also contain a statement by the respondent accepting all terms and conditions contained in this request, signed by an officer or other individual with authority to bind the firm.

13.2 Section 2: Proposal Description

Respondents shall submit a detailed description of the proposed photovoltaic systems including detailed description regarding the proposed PV Collector and Inverter including type, manufacturer, model number, and PV array size. Proposals should also identify the proposed facilities to be utilized and the criteria utilized for selecting the proposed facilities including the structural assessment of each selected site. Submit spreadsheet denoting KWh to be produced, cost per KWh to town, savings to town over a 20 year period. Billing data will be provided for the purpose of calculating annual savings. Since the selected respondent will be responsible for the removal and re-installation of equipment in the event of roof maintenance requirements

during the contract term, the Town expects each respondent to reflect the cost of this requirement in the response. Please provide standard labor rates and escalation rates for each year of the proposed contract, if any. Detailed information regarding the installation plan for each facility should also be provided. All photovoltaic systems shall be above deck ballasted components not attached directly to the structure.

13.3 Section 2: Power Purchase Agreement

Upon acceptance of a proposal by the Town, the respondent(s) will be expected to execute an Agreement in order to qualify for the NRES program. Respondent(s) will also be expected to execute a Power Purchase Agreement (PPA) with the Town. The submission shall include all proposed terms and conditions and minimum and maximum contract periods. Proposals should also include the method for determining power sales pricing and price escalations and minimum and maximum contract periods. The town will consider both fixed and variable pricing proposals. Each proposal should also include a detailed cost/benefit analysis of the proposed system and the terms and conditions for the disposition of the equipment at the completion of the contract term. A price breakdown shall be provided showing how the contractor labor costs, material costs, engineering fees, and markups are applied.

13.4 Section 4: Implementation Plan

Each proposal should include a detailed implementation plan detailing major project milestones and timeframes and a description of the respondent's approach to project management. The proposal shall include detailed descriptions of the cost, cost saving, expectations for each of the Town facilities. Implementation plan should also include any local permits and approvals required.

13.4.1. The proposal shall define, per location, a complete implementation plan. This plan shall include a site assessment of the facility detailing the most effective and efficient solar technology, mounting systems, components, equipment, wiring, and connections to optimize energy output. The implementation plan shall include Engineering Structural Design and Product specifications that will provide details for site electrical and utility interconnection analysis.

13.4.2. The proposal shall define, per location, the complete cost of the implementation plan.

13.4.3. The proposal shall identify any obstacles projected per location and possible solutions for removing or dealing with said obstacle, i.e. a roof top unit or exhaust fan.

13.5 Section 5: Financial Requirements and Qualifications

Each proposal should describe the background and experience of the company and key individuals who would comprise the project team including any subcontractors. Each proposal should also include a description of the company's background and experience with similar projects. Sufficient financial information should be included to allow for the evaluation of the credit worthiness of the company including the proposed project financing method.

13.6 Section 6: References

Each proposal should include relevant references of past and current projects of a similar nature. A description of each project should be provided as well as the current status of the project. Each reference should include the contact information of the client. The Town reserves the right to contact these organizations for additional information related to the performance of the respondent.

13.7 Section 7: Windsor Code of Ethics

Compliance with the Town of Windsor Code of Ethics

No former town employee in administrative pay grade 3 or above and no former board of education employee in a cabinet level position or above shall work for a private firm who has a contract with the Town any time within six months after terminating service with the Town. If this occurs, the vendor could be subject to penalties up to and including contract termination. (Chapter 2, Article IV, Section 11. Sec. 2-30.)

14. BID ADMINISTRATIVE FEE

Proposers must include the bid administrative fee to the solar project cost as a form of compensation to the bid administrator. The Town will not be responsible for any costs or expenses incurred by Proposers responding to this RFP that may relate to bid administrator fees. Please see EXHIBIT A for the Fee Agreement.

15. CANCELLATION OF SOLICITATION

The Town retains the right to cancel this Solicitation at any time prior to the execution and approval of a Contract. If this Solicitation is canceled, all Proposals received in response to this RFP will be rejected. All proposal preparation costs remain the responsibility of the Proposer.

16. INDEMNIFICATION / HOLD HARMLESS AGREEMENT / WAIVER OF SUBROGATION

To the fullest extent permitted by law, Contractor shall defend, indemnify and hold the Town, its officers, agents and employees harmless from and against all liability, claims, loss, fines, damage to person and property, judgments and expenses, including attorney fees, that arise from or are alleged to arise from the performance of this Agreement, and the negligence or willful misconduct of Contractor and any of its employees and agents, unless such claim is determined to be the result of the sole negligence or willful misconduct of Town's officers, agents or employees. This indemnification provision shall survive termination of this agreement.

The contractor will require all insurance policies in any way related to the work and secured and maintained by the contractor to include clauses stating each underwriter will waive all rights of recovery, under subrogation and otherwise, against the Town. The contractor will require of subcontractors, by appropriate written agreements, similar waivers each in favor of all parties enumerated in this section.
