WINDSOR, CT
Project No. E2025-01**

ADDENDUM NO. 1

February 11, 2025

QUESTIONS FROM CONSULTANTS:

Question 1: Will the Town allow for a proposed timeline that differs from that outlined in the RFP/Q

Any proposed variations to the anticipated time of project completion should be included in responses to the RFP/Q.

Question 2: Will the chosen consultant be expected to include the ordinary highwater mark (OHW) in its wetland delineation and summary report?

Consultants should include OHW in their submittals.
